| <b>5. Food.....</b>               | <b>159-196</b> |

## Theme: Transport

### Week 1

#### Day 1

##### Activity 1 Conversation

Ask children how we move from one place to another. Bring children's attention to walking. Further build the conversation and ask children how they can reach farther places. Ask children how they go to the nearby park and the farther places such as some relative's house who lives far. Talk about the purpose of different modes of transport. For example, if we need to go farther, we use either a train or airplane but an aeroplane is faster than a train. Give other examples as well.

##### Activity 2

Ask children to name the vehicles given below.

**DIRECTORATE OF SAMAGRA SHIKSHA  
DEPARTMENT OF SCHOOL EDUCATION, JAMMU & KASHMIR**

**SRINAGAR OFFICE**

Behind Bone & Joint Hospital, Baghat-i-Barzulla, Rawatpora, Srinagar
